

HELP ANYA GET TO COLLEGE

HELPING YOUR CHILD FIND THEIR WAY TO HIGHER EDUCATION IS HARD,
BUT THERE ARE GOVERNMENT FUNDS AVAILABLE TO MAKE IT EASIER.

Take the first step by opening a Registered Education Savings Plan (RESP) at no cost to apply for your child's grants. If your child is eligible for the Canada Learning Bond, you can receive up to \$2000 with no family contribution. Over 800,000 children have already received theirs.
